

Our Vision

Quality health care right here!

Our Mission

Caring for patients is our passion

Quality care is our priority

We lead, innovate and advocate with our partners to ensure excellence in the delivery of comprehensive health care

Our Goals

Goals for our Patients

- Be a recognized leader in quality and patient safety
- Deliver comprehensive secondary (specialty) care
- Optimize access for all residents to a system of care

Goals for our People

- Support Grey Bruce as a community of choice
- Be the employer of choice for current and future staff
- Foster an environment of continuous learning

Community Partnership Goals

- Be a strong partner and integration leader in support of comprehensive care for our community
- Develop a strong profile to achieve Grey Bruce Health Service's mission
- Support the development of health care campuses at our small hospitals

Our Approach

Effective use of resources which includes:

- People, financial, facilities, technology, innovation and continuous improvement

Our Values

Through teamwork we will:

- Care for those we serve
- Approach our work with honesty, integrity and respect for others
- Be innovative in how we work
- Provide an environment in which people thrive

Quality Health Care Right Here!
