

Board of Directors Accountability Statement

The Grey Bruce Health Services Board of Directors is committed to ensuring that its responsibilities are carried out in a manner that respects the best interests of patients, stakeholders, and the communities it serves.

The Board is responsible for acting in accordance with legislative requirements, and for establishing objectives that are consistent with the Corporate Strategic Plan and are realistic within available resources.

The Board endeavours to carry out its responsibilities consistent with the following accountabilities:

To our Patients	Quality services, patient safety, patient-and family-centered care utilizing best practices.
To our Community	Efficient utilization of resources, clear communication, transparent processes, advocacy, and expectation management.
To the Ministry of Health and Long-Term Care and the LHIN	Resources management and reporting in compliance with our obligations.
To our Donors	Donation stewardship.
To our Staff , Credentialed Staff and Volunteers	Transparency and support within a healthy and safe working environment.
To our Health System Partners	Cooperation and collaboration.
